## Education

Mr. Frangos is a graduate of UCL London (LLB) and LSE London (LLM)

## Career

Iosif Frangos is the managing attorney of Frangos & Associates LLC, a Cyprus Bar Association licensed law firm, mainly engaged in corporate, tax, commercial, insurance, tort and banking law.

Mr. Frangos, is the founder of Frangos & Associates LLC, a purely litigation law firm and of its subsidiaries Bybloserve Management Ltd and Bybloserve Financial Ltd who are specifically designed to provide a specialized fiduciary and corporate management service to international corporate clients.

Immediately after admission to the Cyprus Bar Association, he founded his own law firm in 1999 as a sole practitioner but his principled ambition, vision, and innovation combined with exceeding client expectations through legal excellence have resulted in the firm's rapid expansion.

## Current Position

Executive Partner of I. FRANGOS & ASSOCIATES LLC  
Advocates & Legal Consultants

## Professional Memberships

Member of the Cyprus Bar Association and the International Tax Planning Association.

## Specialisations

Banking law, corporate law, civil and family law

Mr. Frangos has lectured contract law to college students and has had extensive speaking in various Conferences around the world and writing engagements in several Business magazines. He is also sitting on the board of various institutions and organizations as a director and/or legal counsel

## Arbitration Experience

Mr. Frangos has been engaged in a large number of litigation and arbitration cases in the field of banking, tort, contract and tax and has occasionally sat on the bench of various adjudication and arbitration bodies.

He is a preferred counsel for the main players in the banking industry. A number of household names have also engaged his services in litigation and arbitration cases.

His involvement in a number of celebrated M&As should also be highlighted and so is his legal involvement in a large number of joint ventures, escrow arrangements, shareholders' agreements and SPAs.
