Specialisations

We are the most active Law Firm in Greece in the protection of Investors against Financial Institutions. We currently have more than 2500 law suits against Banks at the aftermath of the Greek and Cypriot Sovereign Debt Default Crisis. We specialize in Commercial Law, Banking Law, Bankruptcy Law, and the regulatory framework of MIFID (Financial Products Directive)

Arbitration Experience

We are finally in the process of commencing the first EVER class action of more than 3000 Greek Investors & Depositors against the State of Cyprus, to be submitted in ICSID in Washington, together with Grant & Eisenhofer (www.gelaw.com), due to the fact that their claims fall with the Arbitration Class of the Bilateral Investment Treaty between Greece & Cyprus. The total claims will supersede the amount of 1 billion euros.
